If You Have An Accident

1. You should take any action needed to save lives.

3. Accidents that involve injury, death, hit and run, an impaired driver or when vehicles must be towed from the scene, must be reported to the police at once.
4. Let us know as soon as you can. You may submit your auto claim online through eClaim (www.sgi.sk.ca/eclaim) or call, write, fax or email your broker or the nearest claims office. The addresses and phone numbers of the claims offices are shown on page 43.

Tell us how the accident happened and if someone was hurt or killed. You need your driver's license, auto registration certificate and your Commercial Auto Policy. You should give us the names and addresses of any witnesses. Tell us about the other driver and auto and give us any licence numbers you can. We may ask you to put your statement in writing.

5. You must not admit that you are at fault, even if you feel you were. You may not know all the facts.
6. You must not offer or make any payments or repairs without our permission. You **may** make repairs needed to save your vehicle from further damage.
7. You must cooperate fully with us as we investigate the accident, settle claims against you and defend you. You must not interfere in any legal action or discussion, but we may ask you to help us get statements from witnesses or other information or evidence we need to deal with the claim.
8. You must give us all letters and legal papers relevant to a claim. You must do this as soon as you receive them.

No person who is engaged in the business of selling, repairing, maintaining, storing, servicing or parking automobiles shall be entitled to indemnity or payment under this policy for any loss, damage, injury or death sustained while engaged in the use or operation of or, while working upon the automobile in the course of that business, or who while so engaged, is an occupant of the described automobile or a newly-acquired automobile as defined in this policy, unless the person is the owner of such automobile or his employee or business partner.

5. Automobile Defined

In this policy, under Part II (Injury Payments), Part IIIA (Damage to Insured's Vehicles), Part IVA (Liability), Part IIIB (Legal Liability for Damage to Non-Owned Automobiles), or Part IVB (Non-Owned Automobile Liability) and except where stated to the contrary, the words "the automobile" mean:

- a) The Described Automobile – an automobile, trailer or semi-trailer specifically described in the policy or within the description of Insureds' automobiles set forth therein.

- b) A Newly-Acquired Automobile – an automobile, ownership of which is acquired by the Insured who, within fourteen days following the date of its delivery to him, notifies the Insurer; and in respect of which the Insured has no other valid insurance, if either it replaces an automobile described in the application or the Insurer insures (in respect of the part or parts of the Insuring Agreements under which a claim is made) all automobiles owned by the Insured at such delivery date; and in respect of which the Insured pays an additional premium required; provided, however, that insurance hereunder shall not apply if the Insured is engaged in the business of selling automobiles.
- c) A Temporary Substitute Automobile – Under Part II (Injury Payments) and Part IVA (Liability) only, the automobile also means an automobile not owned by the Insured, nor by any person or persons residing in the same dwelling premises as the Insured, while temporarily used as the substitute for the described automobile which is not in use by any person insured by this policy because of its breakdown, repair, servicing, loss, destruction or sale.
- d) Under Part IVA (Liability) only, “the automobile” also means any automobile of the private passenger car, private van, private truck, motorhome or farm truck type, other than the described automobile, while personally driven by the Insured, or by his or her spouse if residing in the same dwelling premises as the Insured, provided that:
 - (i) the Insured is an individual or are two spouses in a household;

Clauses 6 (a) (i) and 6 (a) (ii) shall, however, always be subject to the maximum limits stated in clause 6 (c) below.

- b) When the Insured owns two or more automobiles which are insured as described automobiles under two or more automobile insurance policies, the limit of the Insurer under this policy with respect to the use or operation of an automobile not owned by the Insured shall not exceed the proportion that the highest limit applicable to any one automobile described in this policy bears to the sum of the highest limits applicable under each policy and in no event shall exceed such proportion of the highest limit applicable to any one automobile under any policy.
- c) A motor vehicle and one or more trailers or semi-trailers attached thereto shall be held to be one automobile with respect to the limit(s) of liability under Parts II, IVA & IVB and separate automobiles with respect to the limit(s) of liability under Part IIIA and IIIB.

The deductible provision(s) for Part IIIA and IIIB will treat a motor vehicle and one or more trailers or semi-trailers attached thereto as one automobile.

7. War Risk Excluded

The Insurer shall not be liable under Part II, Part IIIA or Part IIIB of this Policy for any loss, damage, injury or death caused directly or indirectly by bombardment, invasion, civil war, insurrection, rebellion, revolution, military or usurped power, or by operation of armed forces while engaged in hostilities, whether war be declared or not or by civil commotion arising from any of the foregoing.

If such amounts exceed the estimates stated in the application, the Insured shall immediately pay additional premium at the rates stated herein; if less, the Insurer shall return to the Insured the unearned premium when determined, but the Insurer shall, in any event, receive or retain not less than the minimum retained premium stated therein.

- b) also, no deductible shall apply under Subsection 5 (Glass) on any vehicle with a \$100 deductible, when the windshield is repaired by the "Novus Type" of windshield repair.

3. Limitation of Amount Payable

Wherever *The Automobile Accident Insurance Act* limits the amount payable for any automobile insured by this policy, the Insurer shall not be liable under Part IIIA of this policy for any amounts in excess of the limitation provided by such Act, unless such excess value has been declared to the Insurer and a premium paid therefore. The amount of protection excludes *Automobile Accident Insurance Act* coverage.

If the described automobile is classified as a commercial vehicle, an IRP commercial vehicle or a trailer as defined in *The Automobile Accident Insurance (General) 2002 Regulations*, and that automobile is temporarily in storage with no valid coverage under *The Automobile Accident Insurance Act*, there is indemnity under Part IIIA of this policy but only where:

- a) The applicable coverage for the type of loss (All Perils, Collision, Comprehensive) is shown on the cover page in which case, indemnity is limited to the lesser of the amount declared on the plate or the Actual Cash Value, to a maximum of \$15,000;
- b) Excess Value coverage is shown for the described automobile, in which case indemnity is limited to that amount, subject to Actual Cash Value.

Exclusions

- a) to tires or consisting of or caused by mechanical fracture or breakdown of any part of the automobile or by rusting, corrosion, wear and tear, freezing, or explosion within the combustion chamber, unless the loss or damage is coincident with other loss or damage covered by such subsection or is caused by fire, theft, or malicious mischief covered by such subsection; or
- b) directly or indirectly resulting from the conversion, embezzlement, theft, secretion, or any deliberate infliction of harm by any person in lawful possession of the automobile under a mortgage, conditional sale, lease or other similar written agreement; or

- d) directly or indirectly resulting from contamination by radioactive materials or by other atmospheric contaminates; or
- e) to audio/visual equipment not attached to the vehicle; or
- f) to contents of trailers or to rugs or robes; or
- g) unless the described automobile is in fact, and as required by law, registered with *The Traffic Safety Act* and with valid coverage under *The Automobile Accident Insurance Act* at the time the loss or damage occurred, unless the Insured establishes that the automobile was in storage while not registered, provided that if a loss occurs, it was not the direct result of any use or operation.
- h) to high powered snowmobiles used for racing; or
- i) to snowmobiles modified with an aftermarket engine turbocharger kit which was not manufactured by the original equipment manufacturer for the snowmobile model and installed by the snowmobile dealership.

2. The Insurer shall not be liable under Subsections 1 (All Perils), 3 (Comprehensive) or 4 (Specified Perils) for loss or damage directly or indirectly resulting from:
 - a) theft by any person or persons residing in the same dwelling premises as the Insured, or by an employee of the Insured engaged in the operation, maintenance or repair of the automobile whether the theft occurs during the hours of such service or employment or not; or
 - b) theft of tools, chains or repair equipment, unless the entire automobile is stolen; or
 - c) theft of equipment of the automobile, unless such equipment is in or on the automobile, or in the dwelling premises of the Insured; or
 - d) and confined to soiling of upholstery, scratching of any part of the automobile, unless such loss or damage is the result of other loss covered by this Subsection.

Additional Agreements of Insurer

Where loss or damage arises from a peril for which premium is specified under a subsection of this section, the Insurer further agrees:

- a) to pay general average, salvage and fire department charges and customs duties of Canada or the United States for which the Insured is legally liable;
- b) to waive subrogation against every person who, with the Insured's consent, has care, custody or control of the automobile, provided always that this waiver shall not apply to any person:
 - (i) having such care, custody or control in the course of the business of selling, repairing, maintaining, servicing, storing or parking automobiles; or
 - (ii) who has committed a breach of any condition of this policy;
- c) to indemnify the Insured and any other person who personally drives a temporary substitute automobile as defined in the General Provisions of this policy against the liability imposed by law or assumed by the Insured or such other person under any contract or agreement for direct and accidental physical loss or damage to such automobile and arising from the care, custody or control thereof, provided always that:
 - (i) such indemnity is subject to the deductible clause and exclusions of each such subsection;
 - (ii) if the owner of such automobile has or places insurance under *The Automobile Accident Insurance Act* or otherwise against any peril insured by this section, the indemnity provided herein shall be limited to the sum by which the deductible amount, if any, of such other insurance exceeds the deductible amount stated in the applicable subsection of this policy;
 - (iii) the Additional Agreements under Part IVA of this Policy shall insofar as they are applicable, extend to the indemnity provided herein.
- d) loss of use by theft where indemnity is provided under Subsections 1, 3, 4 of Part IIIA hereof, the Insurer further agrees, following a theft of the entire automobile covered thereby, to reimburse the Insured for expense not exceeding \$50 for any one day nor totalling more than \$750 incurred for the rental of a substitute automobile including taxicabs and public means of transportation. Reimbursement is limited to such expense after such theft has been reported to the Insurer or the police and terminating, regardless of the expiration of the policy period;
 - (i) upon the date of the completion of repairs to or the replacement of the vehicle lost or damaged; or
 - (ii) upon such earlier date as the Insurer makes or tenders settlement for the loss or damage caused by such theft.

- e) to pay up to \$600 for the cost of replacing your keys, including Intelligent Keys with Push Button Ignition, or rekeying your locks if your keys were stolen. We will not subtract the policy deductible from the amount of your claim. Your vehicle must have Comprehensive or All Perils coverage. If the amount of loss is greater than \$600, the remainder of the loss is subject to the policy deductible (if applicable). We do not pay for changing the ignition or lock tumblers if we can replace the key.
- f) that only one deductible will be applied when two or more of your vehicles or other property that we insure are damaged in one loss, or your loss is the result of several insured perils occurring at the same time. Even though more than one of your SGI CANADA policies are involved, only the single highest deductible will be applied.

Agreement of Insured

The Insured, if engaged in the business of selling, repairing or servicing automobiles, agrees in the event of loss or damage for which indemnity is provided by any Subsection(s) of Part IIIA of this policy, to replace the property or make the necessary repairs at the actual cost to the Insured if so required by the Insurer.

Part IVA Liability

Insuring Agreements

If a premium is specified under Part IVA, the Insurer agrees to indemnify the Insured, including the registered and actual owner, and in the same manner and to the same extent as if named herein as the Insured, every other person who, with his consent, personally drives the automobile or operates any part thereof, against the liability imposed by law upon the Insured, or upon any such other person, for loss or damage arising from the ownership, use or operation of the automobile and resulting from bodily injury to or death of any person or damage to property.

This policy shall cover each named Insured as if separate policies had been issued to each, but nothing herein shall operate to increase the Insurer's liability as set forth elsewhere in this policy beyond the amount or amounts for which the Insurer would be liable if there had been only one named insured.

Exclusions

The Insurer shall not be liable under this section:

- a) for any liability imposed by any workers' compensation law upon any person insured by this section; or
- b) for loss or damage resulting from bodily injury to or the death of any employee of any person insured by this section while engaged in the operation or repair of the automobile; or
- c) for loss of or damage to property carried in or upon the automobile or to any property owned or rented by, or in the care, custody or control of any person insured by this section; or
- d) for any amount, except to the extent that insurance money otherwise payable for liability for loss or damage to persons or property under *The Automobile Accident Insurance Act*, had this policy not been issued, does not constitute a complete indemnity to the Insured for such liability, and in no event exceeding the limits stated in Part IVA of Item 4 of the application and expenditures provided for in the Additional Agreements of this Part IVA of this policy; or
- e) for any amount unless the described automobile at the time of any occurrence is in fact and as required by law registered under *The Traffic Safety Act* and with valid *Automobile Accident Insurance Act* coverage unless the Insured establishes that the automobile was in continuous storage during the currency of this policy while not so registered; or
- f) for loss or damage resulting from bodily injury to or the death of any person or damage to property arising directly or indirectly out of the nuclear energy hazard except to the extent specifically provided in such case by *The Saskatchewan Insurance Act*; or
- g) for loss or damage arising from the ownership, use or operation of machinery or apparatus, including its equipment, mounted on or attached to the automobile, while at the site of the use or operation of such machinery or apparatus, wherever applicable; or
- h) for bodily injury or death for which protection is provided under Part VIII of *The Automobile Accident Insurance Act*.
- i) for any loss or damage arising from the operation of a motor vehicle by any person insured under this section where that person wilfully caused or attempted to cause damage.

Additional Agreements of Insurer

Where indemnity is provided by this section, the Insurer shall:

- a) upon receipt of notice of loss or damage caused to persons or property, serve any person insured by this policy by such investigation thereof, or by such negotiations with the claimant, or by such settlement of any resulting claims, as may be deemed expedient by the Insurer; and

- c) pay all costs taxed against any person insured by this policy in any civil action defended by the Insurer and any interest accruing after entry of judgment upon that part of the judgment which is within the limit(s) of the Insurer's liability; and
- d) in case the injury be to a person, reimburse any person insured by this policy for outlay for such medical aid as may be immediately necessary at the time of such injury; and
- e) be liable up to the minimum limit(s) prescribed for that province or territory of Canada in which the accident occurred, if that limit(s) is higher than the limit(s) stated in Part IVA of Item 4 of the application; and
- f) not set up any defense to a claim that might not be set up if the policy were a motor vehicle liability policy issued in the province or territory of Canada in which the accident occurred.

Agreements of Insured

Where indemnity is provided by this section, every person insured by this policy:

- a) shall by the acceptance of this policy, constitute and appoint the Insurer as his irrevocable attorney to appear and defend in any province or territory of Canada in which action is brought against the Insured arising out of the ownership, use or operation of the automobile; and
- b) shall reimburse the Insurer, upon demand, in the amount which the Insurer has paid by reason of the provisions of any statute relating to automobile insurance and which the Insurer would not otherwise be liable to pay under this policy.

Part IIIB Legal Liability for Damage to Non-Owned Automobiles

Insuring Agreements

The insurer agrees to indemnify the Insured, but only under such subsections of Part IIIB of item 12 of the application for which a premium is specified, for loss or damage arising from the care, custody or control of any automobile, including loss or damage to the automobile's permanently attached equipment, where liability on the Insured is either imposed by law or assumed by the Insured in a contract or agreement, provided always that the automobile is not owned in whole or in part by the Insured, nor registered in the name of the Insured.

Subsection 5 – **Road Hazard Glass** – to glass that encloses the compartment of the vehicle that has been broken by an object that was thrown up or fell from another vehicle.

Limitation and Deductible Clause

Each occurrence causing loss or damage covered under any Subsection of Part IIIB shall give rise to a separate claim in respect of which the Insurer's liability shall be limited to the amount of loss or damage, less the amount deductible, if any, stated in the applicable Subsection of Part IIIB of Item 12 of the Application; however the Insurer shall not be liable for more than the Amount of Protection shown on the Cover Page.

1. The deductible amount applies:

- a) under Subsection 1 (All Perils) for loss or damage other than by fire, lightning or theft of an entire auto;

 - b) caused by the conversion, embezzlement, theft or secretion by any person in lawful possession of the automobile under a mortgage, conditional sale, lease or other similar written agreement; or

 - e) to audio/visual equipment not attached to the vehicle; or
 - f) to contents of trailers or to rugs or robes; or
 - g) unless the described automobile is in fact, and as required by law, registered pursuant to *The Traffic Safety Act* at the time the loss or damage occurred, unless the Insured establishes that the automobile was in continuous storage during the currency of this policy while not so registered.
2. The Insurer shall not be liable under Subsections 1 (All Perils), 3 (Comprehensive) or 4 (Specified Perils) for loss or damage:
 - a) caused by theft by any person or persons residing in the same dwelling premises as the Insured, or by an employee of the Insured engaged in the operation, maintenance or repair of the automobile whether the theft occurs during the hours of such service or employment or not; or
 - b) caused by theft of tools, chains or repair equipment, unless the entire automobile is stolen; or
 - c) caused by theft of equipment of the automobile, unless such equipment is in or on the automobile, or in the dwelling premises of the Insured; or

This policy shall cover each named Insured as if separate policies had been issued to each, but nothing herein shall operate to increase the Insurer's liability as set forth elsewhere in this policy beyond the amount or amounts for which the Insurer would be liable if there had been only one named Insured.

- a) for any liability which arises from the use or operation of any automobile while personally driven by the Insured if the Insured is an individual except the use or operation of the automobile in the business of the Insured; or
- b) for any liability imposed upon any person insured by this policy:

- a) upon receipt of notice of loss or damage caused to persons or property, serve any person insured by this policy by such investigation thereof, or by such negotiations with the claimant, or by such settlement of any resulting claims, as may be deemed expedient by the Insurer; and
- b) to defend in the name and on behalf of any person insured by this policy and at the cost of the Insurer any civil action which may at any time be brought against such person on account of such loss or damage to persons or property; and

- c) to pay all costs taxed against any person insured by this policy in any civil action defended by the Insurer and any interest accruing after entry of judgment upon that part of the judgment which is within the limits of the Insurer's liability; and
- d) in case the injury be to a person, to reimburse any person insured by this policy for outlay for such medical aid as may be immediately necessary at the time of such injury; and

Special Provisions of Part IVB

1. Additional Insureds

The Insurer agrees to indemnify in the same manner and to the same extent as if named herein as the Insured, every partner, officer or employee of the Insured, who with the consent of the owner thereof, personally drives:

Part V Family Security

We agree to give protection under the provisions of this Part V if the Cover Page shows this coverage and the conditions have been followed as required by this Policy.

A. Definitions for Part V

You or Your

1. The person or persons named on the Cover Page. We also mean Your Spouse if living with You and any Relative in Your Care.

We will provide coverage only while:

- a) You are an occupant of the Motor Vehicle covered by this policy.
- b) You are an occupant of another Auto, but we will not cover the person or persons who own or register this other Auto. Also we will not cover the person who leases this other Auto for more than 30 days.
- c) You are not an occupant of a Motor Vehicle and are hit by a Motor Vehicle.

2. If the name on the Cover Page is that of a corporation, association or partnership, we mean the officer, employee or partner who is assigned the Motor Vehicle covered on this policy solely for this individual's own use. We also mean Your Spouse if living with You and any Relative in Your Care.

We will provide coverage only while:

- a) You are an occupant of the Motor Vehicle covered by this policy.
- b) You are an occupant of another Auto, but we will not cover the person or persons who own or register this other Auto. Also we will not cover the person who leases this other Auto for more than 30 days. However, we will extend coverage if this other Auto is owned or registered by the corporation, association or partnership named on the Cover Page but only if Family Security coverage is in force on that other Auto.
- c) You are not an occupant of a Motor Vehicle and are hit by a Motor Vehicle.

3. If the name on the Cover Page is that of a corporation, association or partnership, we mean the officer, employee or partner who regularly uses the Motor Vehicle covered on this policy. We also mean Your Spouse if living with You and any Relative in Your Care.

We will provide coverage only while You are an occupant of the Motor Vehicle covered by this policy.

Person(s) Entitled to Claim

Means You if You have suffered bodily injury. It also means anyone who, under Saskatchewan law, would have the right to bring an action against the Underinsured Motorist, if the accident had happened in Saskatchewan, for damages because of bodily injury to You or Your death.

Limit of Family Security Protection

Is the aggregate limit shown on the Cover Page for Family Security. If a policy condition is breached and the Part IVA limit of this policy is reduced to the minimum limits of the jurisdiction where the accident took place then the Limit of Family Security Protection will also be reduced to that same limit.

Motor Vehicle

A motor-driven land vehicle for which Motor Vehicle liability insurance would be required in Saskatchewan.

Auto

A Motor Vehicle that is of one of the following types – private passenger car, private van, private truck, motorhome or farm truck.

Limit of Motor Vehicle Liability Insurance

Is the liability coverage on a Motor Vehicle liability policy or any bonds, cash deposits or other financial guarantees which the law requires instead of such insurance. Any Limit of Motor Vehicle Liability Insurance on any policy is the amount shown on that policy even if those amounts have been reduced by the payment of any claims. But if a policy condition is breached and the liability coverage on a Motor Vehicle liability policy is reduced to the statutory minimum limits of the jurisdiction where the accident took place then that minimum limit will be the Limit of Motor Vehicle Liability Insurance.

Relative in Your Care

Is a person who is primarily dependent on You or Your Spouse for financial support. This person must be:

- a) less than 18 years of age and living with You or in full time attendance at a school; or
- b) 18 years of age or older and be in Your care because of a physical or mental handicap; or
- c) 18 years of age or older and in full time attendance at a school; or
- d) Your parent or relative living with You.

Spouse

The Spouse of the person(s) named on the Cover Page. Spouse also means either of two persons of the same or opposite sex who have been continuously living together for two years in a conjugal relationship outside marriage, or one year if they are the natural or adoptive parents of a child.

Uninsured Motor Vehicle

An "Uninsured Motor Vehicle" under this part means a Motor Vehicle for which neither the owner nor driver has applicable and collectible bodily injury liability insurance for its ownership use or operation, but shall not include a Motor Vehicle owned by or registered in the name of:

- a) the named Insured or by any person residing in the same dwelling premises therewith; or
- b) the governments of Canada or the United States or any political subdivision thereof or any agency or corporation owned or controlled by any of them; or
- c) any person or company who is an authorized self-insurer within the meaning of a financial or safety responsibility law; or
- d) any person or company who has filed a bond, or otherwise given proof of financial responsibility, with respect to his liability for the ownership, use or operation of Motor Vehicles.

Underinsured Motorist

This term means:

- a) the known owner or known driver of a Motor Vehicle where the combined Limit of Motor Vehicle Liability Insurance for the owner and driver is less than the Limit of Family Security Protection;
- b) the known owner or known driver of an Uninsured Motor Vehicle as defined above;
- c) this term does not include an owner or driver whose identity can not be established;

Provided that:

- a) For the purpose of this definition and for the purpose of determining our maximum liability under B. Limit of Coverage under Part V, when Persons Entitled to Claim are entitled to recover damages from an Underinsured Motorist and the owner or driver of any other Motor Vehicle, the Limit of Motor Vehicle Liability Insurance shall be the total of all Limits of Motor Vehicle Liability Insurance available.

b) For the purpose of this definition and for the purpose of determining our maximum liability under B. Limit of Coverage under Part V, when Persons Entitled to Claim are entitled to recover damages from a known owner or known driver of an Uninsured Motor Vehicle any uninsured motorist coverage or unsatisfied judgment fund available to Persons Entitled to Claim shall be considered to be a policy of Motor Vehicle Liability Insurance and the maximum amount payable under the coverage or by the fund shall be considered to be the "Limit of Motor Vehicle Liability Insurance".

Family Security

Refers to the coverage provided under this Part V and any similar type of protection under any Insurance plan or contract.

B. Limit of Coverage Under Part V

1. Our maximum liability under this Part for any one occurrence, regardless of the number of claims which arise from the occurrence, is the amount by which the Limit of Family Security Protection exceeds the total of all Limits of Motor Vehicle Liability Insurance of the Underinsured Motorist and all Limits of Motor Vehicle Liability Insurance of any jointly liable person. If the total value of the claims, of all Persons Entitled to Claim, exceed our maximum liability under this Part, the payment to each of the Persons Entitled to Claim will be reduced so that the total amount that we pay does not exceed our maximum liability under this Part.
2. If coverage under this Part applies as "excess" then our maximum liability will be the amount determined in 1. above, less any amounts available to the Persons Entitled to Claim under any "first loss insurance", referred to in E. Special Conditions paragraph 1.

C. Payments per Person Entitled to Claim

1. The amounts to be paid to the Persons Entitled to Claim under this Part are found by determining the amount of damages each person is legally entitled to recover from the Underinsured Motorist and subtracting from each person's entitlement the amounts they could receive from the sources referred to in paragraph 2 below, however, in no event shall the total of all payments to all Persons Entitled to Claim exceed our maximum liability referred to in B. Limit of Coverage under Part V paragraph 1.
2. Payments under this Part are in excess of the amounts listed in (b) below, and Persons Entitled to Claim may claim only those amounts that are in excess of:
 - a) the amount a Person Entitled to Claim has actually recovered, not counting money received under a policy of Life Insurance because of death.
 - b) the amounts a Person Entitled to Claim is entitled to recover, whether such entitlement is pursued or not from:
 - (i) the insurers of the Underinsured Motorist and from bonds, cash deposits or other financial guarantees of the Underinsured Motorist,
 - (ii) the insurers of any person jointly liable with the Underinsured Motorist for damages You sustained,
 - (iii) the Societe de L'Assurance Automobile du Quebec, the Ontario Motorist Protection Plan, the Personal Injury Protection Plan (Manitoba), the Personal Injury Protection Plan (Saskatchewan) or any similar plan,
 - (iv) any unsatisfied judgment fund or similar plan,
 - (v) any uninsured motorist coverage of any Motor Vehicle liability policy,
 - (vi) any Motor Vehicle accident benefits plan in the place where the accident took place,
 - (vii) any policy of insurance that provides disability, loss of income, medical or rehabilitation benefits,

- (viii) any policy of insurance, other than Life Insurance, that provides death benefits,
- (ix) any *Workers' Compensation Act* or similar law applicable to the injury or death which occurred,
- (x) any medical, surgical, dental or hospitalization plan or law,
- (xi) any other Family Security coverage on a Motor Vehicle liability policy.

3. If there is more than one Person Entitled to Claim under this Part and the total of their claims exceeds the maximum liability determined under B. Limit of Coverage under Part V, we will pay each Person Entitled to Claim a *pro rata* portion of our maximum liability.

If a Person Entitled to Claim gives actual notice of a claim after a payment has already been made to Persons Entitled to Claim under this Part, then the maximum liability, determined under B. Limit of Coverage under Part V, shall be reduced by the amounts paid to the prior claimants.

D. How to Determine the Amount a Person Entitled to Claim Recovers

1. For Accidents occurring in Saskatchewan:
 - a) When we agree that the total amount of the claims will result in payments under this Part V we will meet with the Person Entitled to Claim to decide what the amount of the payment should be.
If both of us cannot agree on the amount of the payment such amount shall be determined by arbitration. The Person Entitled to Claim will choose an arbitrator and we will chose an arbitrator. The two arbitrators will choose an umpire. The provisions of *The Arbitration Act, 1992*, as amended, shall apply to the arbitration.
 - b) When we do not agree that the total amount of the claims will result in payments under Part V either because of the issue of liability for the accident giving rise to the claims or because of the issue of the damages resulting from the accident or both said issues, these issues or either one of them, shall be resolved in a court action in Saskatchewan by the Person Entitled to Claim against the alleged Underinsured Motorist and any other alleged responsible parties.
Subject to any right of appeal, we and the Person Entitled to Claim will be bound by the Court's decision.
If requested by us the Person Entitled to Claim will join us as a party to the action.
2. For Accidents occurring outside Saskatchewan:
 - a) The Person Entitled to Claim shall bring an action to judgment against the alleged Underinsured Motorist and any other alleged responsible parties. We will be bound by the Court's decision on liability but we will not be bound by the Court's decision on the amount of damages the Person Entitled to Claim is found legally entitled to recover from the alleged Underinsured Motorist and any other alleged responsible parties.
If, before court action or judgment, the Person Entitled to Claim receives a settlement offer from the alleged Underinsured Motorist and/or any other alleged responsible parties, the Person Entitled to Claim may, upon conveying the settlement offer and all terms thereof to us and receiving our consent in writing, accept the settlement offer.
 - b) Once the Person Entitled to Claim has concluded a settlement or obtained judgment against the Underinsured Motorist or any other responsible parties, we will meet to decide whether any amount is payable under this Part and if so what the amount of the payment should be.

If both of us cannot agree whether any amount is payable under this Part or what the amount of the payment should be then either or both of these issues shall be determined by arbitration. The Person Entitled to Claim will choose an arbitrator and we will choose an arbitrator. The two arbitrators will choose an umpire. The provisions of *The Arbitration Act, 1992*, as amended, shall apply to the arbitration.

The question of an appropriate dollar amount of compensation for the loss of a Person Entitled to Claim shall be determined by the law of Saskatchewan.

3. The amounts legally entitled to be recovered by a Person Entitled to Claim shall not include:
 - a) Any amounts for any pre-judgment interest.
 - b) Any amounts for punitive, exemplary, aggravated or other noncompensatory damages caused by the conduct of the Underinsured Motorist or any other person who is jointly liable.
 - c) Any amounts for any costs if the Underinsured Motorist is insured.

E. Special Conditions

1. If a Person Entitled to Claim has the right to recover damages under the Family Security coverage of more than one policy and:
 - a) You are an occupant of an Auto then the protection on the Auto in which you are an occupant is "first loss insurance" and any other such protection would be "excess", or

By "first loss insurance" we mean a coverage which must be used up before any "excess" insurance comes into play.

5. If you decide not to accept our offer to repair your auto, we will pay only what we would have paid had this Replacement or Repair Cost coverage not been bought.
6. Whether we are repairing or replacing the auto, we will not pay those amounts which would have been paid by your licence insurance had this coverage not been bought.
7. Equipment or auto accessories, including protection packages, installed by the dealer before delivery of the auto will also be covered with proof of purchase.

All coverage definitions, conditions and exclusions shown in other parts of this booklet apply to this coverage.

Autos You Do Not Own

Coverage will extend to one auto you own as well as one auto you use with permission but do not own.

If you have **Injury Payments (Part II)**, **Damage to Your Auto (Part III)**, **Liability (Part IV)**, these coverages extend to an auto you do not own but use with permission. These coverages also extend to an auto that you are contractually liable for while being driven by someone else with your permission. In all instances, coverage only extends to an auto you do not own if it is of a similar type of auto as the auto shown on your Cover Page.

Part II – Injury Payments – Limits as per booklet

Coverage will follow on the basis of Part II – Bodily Injury Benefits or Part VIII – Personal Injury Benefits (No Fault). This is determined by your licence insurance coverage.

Part III – Loss of Use – \$2,000 Amount of Protection

This coverage will apply as defined in the policy booklet.

Part IV – Liability – \$5,000,000 Amount of Protection

We will cover you if you are found to be legally liable to someone else for an injury, death or property damage which was due to the ownership or use of your auto. We will cover you up to the amount shown on your Cover Page. This coverage is excess to that given by your licence insurance.

Part V – Family Security – Aggregate Limit: \$2,000,000

We agree to give the protection under the provisions of the Part V if your Cover Page shows you have this coverage and all premiums have been paid and all the conditions have been fulfilled as required by this policy.

Statutory Conditions

In these Statutory Conditions, unless the context otherwise requires, the word "Insured" means a person insured by this contract whether named or not. Statutory Conditions 2, 3, 4, 5, 6 and 7 shall not apply as policy conditions with respect to Part II.

1. Material Change in Risk

- (1) The Insured named in this contract shall promptly notify the Insurer, or its local agent, in writing, of any change in the risk material to the contract and within his knowledge.
- (2) Without restricting the generality of the foregoing, the words "change in risk material to the contract" include:
 - (a) any change in the insurable interest of the Insured named in this contract in the automobile by sale, assignment or otherwise, except through change of title by succession, death or proceedings under *Bankruptcy and Insolvency Act* R.S.C., 1985, c. B-3, as amended, and in respect of insurance against loss or damage to the automobile;
 - (b) any mortgage, lien or encumbrance affecting the automobile after the application for this contract;
 - (c) any other insurance of the same interest, whether valid or not, covering loss or damage insured by this contract or any portion thereof.

2. Prohibited Use By Insured

- (1) The Insured shall not drive or operate the automobile:
 - (a) while under the influence of intoxicating liquor or drugs to such an extent as to be for the time being incapable of the proper control of the automobile; or
 - (b) unless he or she is for the time being either authorized by law or qualified to drive or operate the automobile; or
 - (c) while he or she is under the age of sixteen years or under such other age as is prescribed by the law of the province in which he resides at the time this contract is made as being the minimum age at which a licence or permit to drive an automobile may be issued to him; or
 - (d) for any illicit or prohibited trade or transportation; or
 - (e) in any race or speed test.
- (2) The Insured shall not permit, suffer, allow or connive at the use of the automobile:
 - (a) by any person under the influence of intoxicating liquor or drugs to such an extent as to be for the time being incapable of the proper control of the automobile; or
 - (b) by any person:
 - (i) unless that person is for the time being either authorized by law or qualified to drive or operate the automobile; or
 - (ii) while that person is under the age of sixteen years or under such other age as is prescribed by the law of the province in which he resides, at the time this contract is made as being the minimum age at which a licence or permit to drive an automobile may be issued to him; or
 - (c) for any illicit or prohibited trade or transportation; or
 - (d) in any race or speed test; or
 - (e) by a person with the intent to evade a police officer.

2.1 Qualified or Authorized

For the purposes of this statutory condition, a driver is deemed not to be qualified or authorized under this policy if he or she has been deemed not to be qualified or authorized pursuant to the statutory conditions set out in **Part III and IV of *The Automobile Accident Insurance Act*.**

3. Requirements Where Loss or Damage to Persons or Property

(1) The Insured shall:

- (a) promptly give the Insurer written notice, with all available particulars, of any accident involving loss or damage to persons or property and of any claim made on account of the accident;
- (b) verify by statutory declaration, if required by the Insurer, that the claim arose out of the use or operation of the automobile and that the person operating or responsible for the operation of the automobile at the time of the accident is a person insured under this contract; and
- (c) forward immediately to the Insurer every letter, document, advice or writ received by him from or on behalf of the claimant.

(2) The Insured shall not:

- (a) voluntarily assume any liability or settle any claim except at his own cost; or
- (b) interfere in any negotiations for settlement or in any legal proceedings.

(3) The Insured shall, whenever requested by the Insurer, aid in securing information and evidence and the attendance of any witnesses and shall co-operate with Insurer, except in a pecuniary way, in the defence of any action or proceedings or in the prosecution of any appeal.

4. Requirements Where Loss or Damage to the Automobile

(1) Where loss of or damage to the automobile occurs, the Insured shall, if the loss or damage is covered by this contract:

- (a) promptly give notice thereof in writing to the Insurer with fullest information obtainable at the time;
- (b) at the expense of the Insurer, and as far as reasonably possible, protect the automobile from further loss or damage; and
- (c) deliver to the Insurer within ninety days after the date of the loss or damage a statutory declaration stating, to the best of his knowledge and belief, the place, time, cause and amount of the loss or damage, the interest of the Insured and of all others therein, the encumbrances thereon, all other insurance, whether valid or not, covering the automobile and that the loss or damage did not occur through any wilful act or neglect, procurement, means or connivance of the Insured.

(2) Any further loss or damage accruing to the automobile directly or indirectly from a failure to protect it as required under subcondition (1) of this condition is not recoverable under this contract.

(3) No repairs, other than those that are immediately necessary for the protection of the automobile from further loss or damage, shall be undertaken and no physical evidence of the loss or damage shall be removed:

- (a) without the written consent of the Insurer; or
- (b) until the Insurer has had a reasonable time to make the examination for which provision is made in Statutory Condition 5.

- (4) The Insured shall submit to examination under oath, and shall produce for examination at such reasonable place and time as is designated by the Insurer or its representative all documents in his possession or control that relate to the matters in question, and he shall permit extracts and copies thereof to be made.
- (5) The Insurer shall not be liable for more than the actual cash value of the automobile at the time any loss or damage occurs, and the loss or damage shall be ascertained or estimated according to that actual cash value with proper deduction for depreciation, however caused and shall not exceed that amount that it would cost to repair or replace the automobile, or any part thereof with material of like kind and quality but, if any part of the automobile is obsolete and out of stock, the liability of the Insurer in respect thereof shall be limited to the value of that part at the time of loss or damage, not exceeding the maker's latest list price.
- (6) Except where an appraisal has been made, the Insurer, instead of making payment, may, within a reasonable time, repair, rebuild or replace the property damaged or lost with other of like kind and quality if, within seven days after the receipt of the proof of loss, it gives written notice of its intention to do so.
- (7) There can be no abandonment of the automobile to the Insurer without the Insurer's consent. If the Insurer exercises the option to replace the automobile or pays the actual cash value of the automobile, the salvage, if any, shall vest in the Insurer.
- (8) In the event of a disagreement as to the nature and extent of the repairs and replacements required, or as to their adequacy, if affected, or as to the amount payable in respect of any loss or damage, those questions shall be determined by appraisal as provided under *The Saskatchewan Insurance Act* before there can be recovery under this contract, whether the right to recover on the contract is disputed or not, and independently of all other questions. There shall be no right to an appraisal until a specific demand therefore is made in writing and until after proof of loss has been delivered.

5. Inspection of Automobile

The Insured shall permit the Insurer at all reasonable times to inspect the automobile and its equipment.

6. Time and Manner of Payment of Insurance Money

- (1) The Insurer shall pay the insurance money for which it is liable under this contract within sixty days after the proof of loss has been received by it or, where an appraisal is made under subcondition (8) of Statutory Condition 4, within fifteen days after the award is rendered by the appraisers.
- (2) The Insured shall not bring an action to recover the amount of a claim under this contract unless the requirements of Statutory Conditions 3 and 4 are complied with or until the amount of the loss has been ascertained as therein provided or by a judgment against the Insured after trial of the issue or by agreement between the parties with the written consent of the Insurer.
- (3) **Repealed.** 2004, c.L-16.1, s.76.

7. Who May Give Notice and Proofs of Claim

Notice of claim may be given and proofs of claim may be made by the agent of the Insured named in this contract in case of absence or inability of the Insured to give the notice or make the proof, such absence or inability being satisfactorily accounted for, or in the like case or if the Insured refuses to do so, by a person to whom any part of the insurance money is payable.

8. Termination

- (1) This contract may be terminated:
 - (a) by the Insurer giving to the Insured fifteen days' notice of termination by registered mail or five days' written notice of termination personally delivered;
 - (b) by the Insured at any time on request.
- (2) Where this contract is terminated by the Insurer:
 - (a) the Insurer shall refund the excess of premium actually paid by the Insured over the *pro rata* premium for the expired time, but in no event shall the *pro rata* premium for the expired time be deemed to be less than any minimum retained premium specified; and
 - (b) the refund shall accompany the notice unless the premium is subject to adjustment or determination as to amount, in which case the refund shall be made as soon as practicable.
- (3) Where this contract is terminated by the Insured the Insurer shall refund as soon as practicable the excess of premium actually paid by the Insured over the *short rate* premium for the expired time, but in no event shall the *short rate* premium for the expired time be deemed to be less than any minimum retained premium specified.
- (4) The refund may be made by money, postal or express company money order or cheque payable at par.
- (5) The fifteen days mentioned in clause (a) of subcondition (1) of this condition commences to run on the day following the receipt of the registered letter at the post office to which it is addressed.

9. Notice

Any written notice to the Insurer may be delivered at, or sent by registered mail to, the chief agency or head office of the Insurer in the province. Written notice may be given to the Insured named in this contract by letter personally delivered to him or by registered mail addressed to him at his latest post office address as notified to the Insurer. In this condition, the expression "registered" means registered in or outside Canada.

Misrepresentation or Violation of Conditions Renders Claim Invalid

Subsection 191.—(1) of *The Saskatchewan Insurance Act* currently reads as follows:

- (1) Where:
 - (a) an applicant for a contract:
 - (i) gives false particulars of the described automobile to be insured to the prejudice of the Insurer, or
 - (ii) knowingly misrepresents or fails to disclose in the application any fact required to be stated therein;
 - (b) the Insured contravenes a term of the contract or commits a fraud; or
 - (c) the Insured wilfully makes a false statement in respect of a claim under the contract;

a claim by the Insured is invalid and the right of the Insured to recover indemnity is forfeited.
